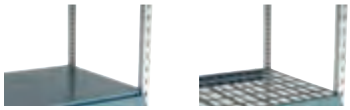
SPIDER® MINI-RACKING

Mini-racking is perfect for storing heavy and bulky parts. The steel beams are designed to accommodate many types of decking: steel, wire and wood.



Add S to the end of the product number for steel decking and W for wire mesh decking. To order a unit without decking, leave the product number as is.

CNC TOOL STORAGE SOLUTIONS

BENEFITS OF ROUSSEAU TOOL RACKS

- Compatible with the entire Rousseau product range
- Available blank or with perforations so can be adapted to any type of tool
- With its original two-level design, the rack offers improved support and increased stability, which prevents tools from falling out even in a tilted position
- It is compact, robust and includes ergonomic handles for easy tool transportation. The 20˚ angled adapters facilitate handling of parts in Spider® Shelving and on WM bench frames
- With its resistant PVC extruded design, it can withstand blows and corrosion, and allows fluids to drain away, which prolongs the life of your tools

Learn More! **Call McMurray Stern at 800-342-8994**, or visit mcmurraystern.com

SHELVING - WM UPRIGHTS AND FRAMES - CABINETS

The number of tools that a tool rack or a PVC shelf can hold varies according to tool diameter and the length of extruded surfaces. The number of holes specified in the table indicates the number of perforations per extruded surface.

CNC tool storage products include blank tool racks by default. To order models with perforated racks, contact Customer Service.

R SPECIALIZED WORKCENTER

THE ROUSSEAU DIFFERENCE

- Rousseau's technicians workcenters are the most complete and versatile solutions on the market.
- High-density storage allows you to store small parts neatly and efficiently, thus reducing the amount of floor space used for storing these items.

PROJECT A PROFESSIONAL IMAGE, REFLECTING THAT OF YOUR BUSINESS

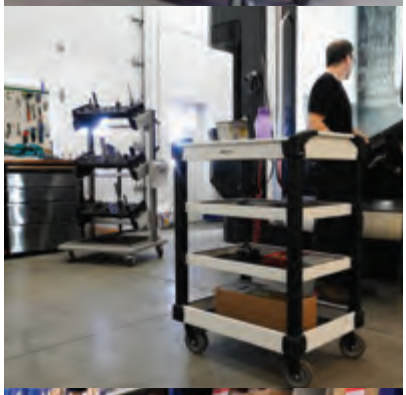
THE DIFFERENCE



PREMIUM-QUALITY, INNOVATIVE PRODUCTS DESIGNED FOR YOU

At McMurray Stern innovation is key to everything we do. That's why many of our products are patented, patent pending or protected by a registered industrial design. This includes our One-Drawer-at-a-Time security mechanism, the R drawer, the MultiTek Cart and our swing doors. We have also received awards multiple times over the last few years in recognition of the creativity of our designers as well as the innovative and aesthetic quality of our new products.

With the most comprehensive range of solutions on the market, McMurray Stern, is now North America's leader in industrial storage.
